In view of the hard work done in the first instance by the P.W.D. Officers (Vide 1st members' minute dt 9.3.22 on page 15 of Mis file 523-20), it is a matter for order whether the amt of 3390 Rs must be insisted upon from the P.W.D budget? The temple Devasthanam ought to render to meet this charge.

A. How can this be done? The P.W.D has no choice in the matter. If the first sanction the account in that dept. they will be ready to accept the debit, not otherwise. I should like to have a statement from the details of the estimates sanctioned on this account up to date of 28.2.23. The provision made in the P.W.D to meet the expenditure, the sum already borrowed from other heads & the balance now required for the completion of the works.

Requests that the amt of 3390 Rs sanctd in GO Nos 1961-4 Journ 5-23-20-26 & 28.12-22 from P.W.D funds may be given from Mwz Fds.

The statement Subd by the Chief Engr on page 6 above is not quite clear. Whether the amt of Rs 3600 (the last claim in the statt) is included in the amt of 13290 Rs sanctd is for exclusion of it in subn claim. If the latter the Board should have Advd the amount of the claim Despatch for the same.

Read the Chief Engrs letter No. B 4593 dt 19th March 1923 shows that it is included in the sanctd estimate. The Chief Engr now requests that the amt of Rs 3390 ordered to be met from the P.W.D funds may also be given from Mwz funds.
